CONvergence 2011 DVD Information

This year instead of a box set, the Video department is offering five individually packaged DVDs. The DVDs are organized by genre. This way, more CONvergence attendees can go home with the parts of CONvergence 2011 most important to them. The 2011 DVDs are $10 each, or you can purchase all five for the discounted price of $40.

1. CONvergence 2011 Costumes and Art

This DVD highlights the best of CONvergence 2011's costumers and artists!
